

Dear partner,

It was a very busy couple of weeks ... We bought some new nice systems and repaired a couple of Agilent HPLC 1100, Agilent GC/MS and Agilent LC/MS systems.

Next month it will be December and the two Christmas days are in the middle of the working week. When you want to know, when Labrecycling is open and reachable or until you can order systems or parts.

Please click...

This month Labrecycling offers you ...

FOR SALE

Refurbished AGILENT 6850 G2630A
WITH FLAME PHOTOMETRIC DETECTOR

Yes, an offer
for Agilent 6850

FOR SALE

Refurbished AGILENT
6420A TRIPLE QUAD LC/MS

Yes, an offer
for Agilent 6420A

Also we would like to inform you that our outlet has a lot of “new” chromatography parts.
